THE CHEESE MAN

We at The Cheese Man are passionate about cheese and fine foods, we have over 45 years experience in the fine food industry, with a wealth of knowledge to share with our customers.

We carry an extensive range of cheeses and gourmet products from around the world and as a local family run company are proud to promote Sussex cheeses and local gourmet products.

We are ever mindful of how important food miles and environmental issues are to our customers, and working closely with local cheese makers we hope to develop local awareness of quality cheeses from the surrounding areas.

In sharing our knowledge and expertise we hope this list will highlight what we already know here at The Cheese Man, that some of the finest ranges of cheeses are on our very doorstep ready to be delivered by the only Cheese Specialist Van Sales Company in Sussex....

in our fleet of temperature controlled vehicles.
